

God Is Dead

Leatherface

God is dead, in my shed
Better red than dead
Living in my head
Best unsaid
Filling me with dread
God is dead in my shed
Better dead than red
The dog is fed
God is dead, definitely dead

I wouldn't lie to you

Chicago school
Treats us like fools
Viva Chavez, Viva Allende
God is Dead
Buried in my shed
The free market
Is still not dead
Wartime leaders
Get Nobel peace prizes
God is dead
He's definitely dead
