

# Hope

Leatherface

Never give up hope. Never mainline dope.  
never had much luck. Never give a shit.  
Never wish me well, like I give a f\*\*k.  
Never make a show.  
Never say you know.  
Never hear the phone.  
Never give the dog stick and stones.  
Never watch Home Alone.  
Never watch Dick & Dom, you'll only end up growing up dumb as f\*\*k.

Never give up hope. Never give up hope.  
Never give up hope. Never give up hope.  
Never give up...

Never had the gon.  
Never mentioned one, as in I was not much fun.  
Never looked at the sun.  
Straight on to the next one.  
Never owned a gun.  
Never home for long.  
Never that forelorn.  
Never had a double, I was always an extra next to you.  
Never watch Dick & Dom.  
Never watch Home Alone.  
You'll always end up growing up, pretty much,  
Dumb as f\*\*k right out of the prologue.

Never give up hope. Never give up hope.  
Never give up hope. Never give up hope.  
Never give up...

That frock could cure a duck with chronic hiccups  
Faster than a fat man can do the sit ups.

Never give up hope. Never give up hope.  
Never give up hope. Never give up hope.
