

Blessed Up

Lecrae

I've been blessed up (Sheesh)
I've been broke down (Oh yeah)
Gotta catch up (Yeah)
Gotta shine now (Okay)
Running faster (Oh yeah)
I can't slow down (Oh no)
Gotta catch up (Yeah)
Gotta shine now
'Cause I've been blessed up (Blessed up)
I've been broke down (Oh yeah)
Gotta catch up (Ayy)
Gotta shine now (Oh yeah)
Running faster (Faster)
I can't slow down (Oh no)
Gotta catch up (Yeah)
Gotta shine now

Hey, I got the juice
Wait a minute, run it back, I got the Truth
Real Talk to Rebel to Rehab
We been had it, don't mind that rehash, I'm teaching the youth
'Member we was always seeking His face
Running up the charts was never the race
Buy a ticket to the show and you might get to Heaven on it
Boy, we leaking, my grace dripping
Don't pull fours with the full state, tipping
Me and Wande about the Lone Star flipping
Man, the First Lady got our first lady on her playlist
I'm tripping
We too blessed
Hand of the Lord on the set
See what He finna do next
Shawty hit me on my jack and said, "Jump on the track!"
I said, "Run it up, I'm feeling blessed"

I've been blessed up (Sheesh)
I've been broke down (Oh yeah)
Gotta catch up (Yeah)
Gotta shine now (Okay)
Running faster (Oh yeah)
I can't slow down (Oh no)
Gotta catch up (Yeah)
Gotta shine now
'Cause I've been blessed up (Blessed up)
I've been broke down (Oh yeah)
Gotta catch up (Ayy)
Gotta shine now (Oh yeah)
Running faster (Faster)
I can't slow down (Oh no)
Gotta catch up (Yeah)
Gotta shine now

Yeah
Hun'ed bands, okay, okay (Got them chips, yeah)
Hun'ed bags, no layaway (Oh, it's lit, yeah)
All gon' pass, no, you can't save (Gotta dip, yeah)
Better pray your soul is safe, no escape (Yeah)

Seen the top and the lows (Ayy)
Hold me down, I'ma grow (Yeah)
You should peep who your woes
You exposed (Ayy), you a clone, that's appearance
Now your worth looking real low like a clearance
Got you giving up, whoa, where the perseverance?
Gotta stick to it even with the interference
Gotta stay prayed up, yeah, I'm talkin' 'bout the Spirit
Ooh yeah, ayy
That's what's up now, uh (Yeah)
I ain't gotta flex, no stunt now, uh (Yeah)
Yeah, I've been down, no bluff now, uh (Yeah)
Yeah, I've been down, but I'm up now, uh
So pull up with the test, won't flunk now
I ain't gotta stress, nah, I ain't gotta fuss now (Yeah)
I just gotta go and live my best "you know what" now, uh
'Cause I'm up now, uh
Yeah, yeah

I've been blessed up (Sheesh)
I've been broke down (Oh yeah)
Gotta catch up (Yeah)
Gotta shine now (Okay)
Running faster (Oh yeah)
I can't slow down (Oh no)
Gotta catch up (Yeah)
Gotta shine now
'Cause I've been blessed up (Blessed up)
I've been broke down (Oh yeah)
Gotta catch up (Ayy)
Gotta shine now (Oh yeah)
Running faster (Faster)
I can't slow down (Oh no)
Gotta catch up (Yeah)
Gotta shine now (Woo!)

Now, let me tell ya'll about really living blessed up (Blessed up)
You see, I've been at the lowest of lows
And I've been at the highest mountain tops
And the one thing that I found out is
It's not about the platform
It's not about the net worth
It's not about the paper chasing, but it's all about the purpose chasing
You see, what you've gone through has made you
And it's actually the reason why you blessed (Blessed up)
So go on and turn up the music
And don't stress, 'cause the season you're in right now, just give it a lil'
time
And it'll prove you blessed (Mike Todd!)
(Blessed Up)
