

Blockhead

Lecrae

Yeah, blockhead
Back at it again, mate
Blockhead, let's get it
Woo

Blockhead, blockhead, play my role like Brad Pitt
Show at the Palladium, we suited up like draft picks
Had to plug in Texas, DHL the package
I switched up the play after the Lord changed my direction
Tesla with the body kit
Always reppin' 116 (Rep one), you know how turnt up we get (Turn it)
Motorcade like presidents, uh
Post up in a Bnb like residents (Let's get it)

We comin' in like this, pickin' up tables like Christ did (Christ)
Jumpin' out the gym like Mike did, I ain't talkin' 'bout Jordan, I'm Tyson (Tyson)
Time to ride on all you perpetrators, I ain't even gotta show my license (I'm rad)
Heard the devil got him some pirates, he'll need Noll pullin' up with Vikings (He'll need Noll)
When I saw that Miley Cyrus, had to change up like Hannah Montana (I saw)
Seen him give my brother time 'cause he got caught on Candid Camera (I see)
Had to stay down like twenty-twos on Cadillac, I'm David Banner (I stay)
When the youth pastor take us out to eat, we ain't got no table manners (Don't)
I don't wanna act like no blockhead, blockhead (Phew, no)
Lovin' everything that you said (I can't)
Gotta stand up like some soldiers, never lay down like no goose egg (Stand up)
Left foot, right foot, made it out the mud with two legs (Phew, oh woah)
I never graduated from college, tell the folks I'm goin' stupid (Phew, yee, okay)

Post it up in a yellow scraper, plottin' on a caper
Ridin' with my top down, got me closer to the Savior
God some family in the feds when they should be pickin' majors
I don't do this for the money, but I got a lil' paper
Was a blockhead, blockhead, now I do what God says
Sellin' blocks'll get you cell blocks or on a block dead
Hell don't want no smoke with me, I promise if we lock heads
I'ma call on power from the heavens 'til they drop it
Pop Smokin', feel my Pop Smoke, that's my daddy fire
Don't be actin' funny when you see me, I'm your daddy, boy
Comin' at me sideways, talkin' slick out of your neck
I made Jesus music 'fore you even knew your alphabet
Don't be a-
