

Brick for Brick

Lecrae

We goin' brick for brick
Stack it up, stack it up, stack it up
Stack it up, stack it up, stack it up
Stack it up, stack it up, stack it up
Stack it up, stack it up, stack it up
We goin' brick for brick
Stack it up, stack it up, stack it up
Stack it up, stack it up, stack it up
Stack it up, stack it up, stack it up
Stack it up, stack it up, stack it up

I keep a hammer, ain't talkin' bout shootin'
I'm out here buildin', I keep me a tool
When I say brick, I ain't got nothin' to do with hoopin'
Buildin' the body up, that's what we doin'
We here forever until they come get us
I'm buildin' faith up from summer to winter
You pick the season, it really don't matter
Cause all of 'em mine, I know I'm a winner
Car full of bricks, I ain't talkin' bout work
Might get to workin' that word in your spirit
Stompin' on serpents, I'm feelin' like Kirk
Foundation firm, boy, this ain't for appearance
I build my house on a rock
They build they house on the sand
Might bring the flood to your city
Hope what you build ain't gonna last

Cause we goin' brick for brick
Stack it up, stack it up, stack it up
Stack it up, stack it up, stack it up
Stack it up, stack it up, stack it up
Stack it up, stack it up, stack it up
We goin' brick for brick
Stack it up, stack it up, stack it up
Stack it up, stack it up, stack it up
Stack it up, stack it up, stack it up
Stack it up, stack it up, stack it up

Crae goin' brick for brick, I go script for script
Bible so heavy, I walk with a limp
Scorin' these souls, we like Jordan and Pippen
I'm fadin' the Devil, I'm meant to be tempt
Keepin' my body so holy, it chirp
Persuade me to sin, I step on your turf

God, that skew me, I'm off like Peter
Cause by God, I come with that heater
Jesus that answer, so boy, you can't test me
Water my neck, just call me a jet ski
Drawin' my moves, deheatin' some sketchies
Devil so chicken, I hit him with 10 piece
King of my job, can't find this on Indy
Signed to Jesus, I move like an Indie
Building this temple, he changing my mental
We really the bricks, Ephesians, we goin' brick for brick

We goin' brick for brick
We goin' brick for brick
We goin' brick for brick
We goin' brick for brick
Stack it up, stack it up, stack it up
Stack it up, stack it up, stack it up
Stack it up, stack it up, stack it up
Stack it up, stack it up, stack it up
We goin' brick for brick
Stack it up, stack it up, stack it up
Stack it up, stack it up, stack it up
Stack it up, stack it up, stack it up
Stack it up, stack it up, stack it up
