You done had it with this, if broke is a habit I guess you back at it again You need a change

Man you need some answers cause you just lost your moms to cancer You really need a

You done tried almost all the drugs

And from Vegas to NY you been to all the clubs. You wanna change

You tried new shoes and clothes

But after while you still low so you know you gotta change

Maybe if you could get a new you or new crew, a new do, that would suit your change

.A new somebody to lay with

Cause the last 5 just ain't make it they all betta change

A brand new car on sixes the one you got now needs fixing and plus an oil change

You tried a new place

New clothes, new tastes

New ways, new face but you still need a change

You don't really know what you were put here for but before you go

You looking for a change

You trying find a home you can call your own cause you way too grown to making that chump change

Life's too short you been down to long

Now you got oprah on thinking maybe she can help you out your hopeless zone She gone change you

You even tried the church the pastor gave you bunch of rules they ain't seem to work

You don't change

You tried another one tho that gotcha feeling good inside and gotcha runnin fa mo and mo change

But all about you not God not truth

Just because you wear the suit don't mean you been changed

Christ is just a means to money, plus health

Your like the master and hes the dummy

No change

Well if not that... then maybe it's better to be confused and forget all fac ts and all change

Still been chasing change, and look where it gotchu depressed ain't a thang not u ain't making no...

You tried to find God

The horoscopes and stars $% \left(1\right) =\left(1\right) \left(1\right)$

Ain't get very far

So far no change

What if life ain't supposed to be gravy, fulla hurt pain, death, rape, murde r and craziness

If God made everything Good then you still gotta live in the hood what's really good

It goes back to Adam in Eden when he ate that fruit believin somehow that he could

Man disobeys God now both are at odds

And life is just hard cause our hearts need

You can't find hope in cars

Hope in money, or people

Only hope in God he can change you

Jesus felt the pain, he was hated, hurt, slandered and slain his death broug ht

Be a slave to your sin, hate God love money, love lies, Christ died so you c an be changed

It's kinda fun for a while but you'll lose that smile $% \left(1\right) =\left(1\right) \left(1\right)$

When your lights go out

And the pain won't change
