

# Desperate

Lecrae

I'm so desperate, I can't believe I've sinned against you  
Create in me a clean heart (I'm so sorry)  
Your mercy is what I need

Woke up this morning too depressed and shamed to leave my bed  
Can't stand to see my own reflection so I hang my head  
Feel like a disappointment like the scum of the earth  
I'm so hurt I know you see I can't cover my dirt  
My souls dying hearts weak and I can't even cry  
I'm sposed to run to you but WHY I'm such an evil guy  
The sun's shining but for me it's the darkest of days  
Try to pretend it never happened but the guilt remains  
I leave the house it feels like everybody knows I did it  
Feels like they reading my mind and know the sin I committed  
Through your blood I'm acquitted but my heart doesnt get it  
Oh God I'm desperate for Help cause I'm grieving your Spirit  
I couldn't sing in the sunday service, Lord I felt fake  
And when they started communion I just made an escape  
I'm in need of your grace  
Feels like you hid your face  
Lead me back to cross and show me my sins erased

I'm waste deep in my pity  
Is Satan tryna trick me and tell me you won't forgive me  
Cause it's startin to get me  
Jesus help me quickly I hate wrong I've done  
I know we all fall but I feel like the only one  
Feels like I should be shunned  
Should I punish myself  
I know it's dumb cause by your death all my sin has been dealt  
But my sin is been felt  
I didn't want to do it  
But what I want to do I don't  
I swear I'm gonna to lose it  
Try to open my bible I need to read your pages

I need you Lord but my guilt has got me feeling so faithless  
Help me see where your face is  
Take me back to the basics  
Help me find my joy in you and not people and places  
My sin is ever before me I turned my back on you  
Oh father break and restore me to bring me back to you

Have mercy on me God according to your steady love  
Wipe away my transgression and wash me in your blood  
Create in me a clean heart renew a right spirit  
Don't take your Spirit away your Presence keep me near it  
I'm waiting patience on you Lord I know you hear my cry  
Restore your Joy in me  
For you alone I live and die

It's you I Glorify cause you don't want my sacrifice  
You want me broken and contrite trusting in the Christ  
I confess to you my sin and you show me mercy  
I turn away from it demonstrating that you are worthy  
Over lust, over pride, over all sin  
Is my affection for Jesus is who died for all them

I was lost now I'm found I was toss to the ground  
My sin weighed on me heavy but I am no longer bound  
As sure as Christ wears the crown  
I know that grace will abound  
And even when I feel lost I know in You I am found
