That's the tricky side, where they let the blicky fly up
I'm surrounded, tryna get me t-t-t-t-tied up
Ayy, no, t-t-turnin' down 'cause the boy fired up, sheesh!

Hol' up, wait, hol' up, wait, hol' up, wait, hol' up, wait
Hol' up, wait, hol' up, wait, hol' up, wait
Walkin' in the Spirit, you know it get tricky 'round us
If they bump the smoke then tell 'em that we get them fired up

They told me that the revolution
Won't be televised ('Vised)
I just want the Kingdom
They can keep the enterprise ('Prise)
Everything we got is rented
Close the casket, nothing's in it
I just got the Tesla tinted
I can't take it to the finish, let me finish
Ain't no "Hol' up" when it come to God (Uh)
Either you leave or get left behind (Yeah)
You been set up, I been set aside (Sheesh)
Hop in his Uber, let's spit a ride (Skrirt)
Look, I know that He beat it, I promise that death is defeated
Ain't no need to hold up the meetin'
They hold up they heater and after that, everything heated
Somebody gon' end up on t-shirt
I'm still outside on the block (Block)

I keep it a buck like I'm Giannis, I'm tryna be honest
The lessons I'm learnin', you can't get in college
They get in the street 'cause they can't get in college

I know that you hear that Kirk
When that music start up, that's me payin' respect to a legend
I know some people don't like it
But I did a song wit' an EGOT, to me that's a Legend (Woo)
Let me teach you a lesson
Back when I was countin' my blessings, the radio tour had me stressin'
My faith was in question

Surrounded by haters and yes-men, but God had me learnin' a lesson
Look in the sky, I'm like "Hol' up" (Hol' up)
"Can you please get my spirit, it's sold up?" (Please)
I get strength from the Son like I'm solar (Pow)
So I told Him to take the controller (Woo)
I know people like "Bring back the Rebel 'Crae" (Hmm)
Get behind me, that's somethin' the devil say
If you love me, you love me for who I'm becomin'
I wake up and follow God every day (Mm)
They say that you change if you grow up (They do)
The money slow down, people slow up (Sheesh)
But when you get poppin', they show up (Pop)
That's why I be lookin', like "Hol' up
Wait" (Wait)
Can't eat off my plate (Yeah)
It's too many hungry people
Can't give you a taste (Nah)
