I like to move it, move it, so please, get out the way, excuse me (I like to move it, move it)

Jumped off the porch, now I'm just coolin'

Now I'm comin' in, hammer time number two

What you gon' do when the tidal wave pull up with a typhoon? (What you gon' do?)

I say a prayer on the floor like it's War Room

I was in the courtroom, you was in your room (You was in yours)

Every time the police came to my door, I just shook my head low and prayed and watched a cartoon

It's a whole lot of y'all walking 'round lookin' so crazy, I ain't even gon' laugh, I'ma talk to 'em

I tell lil' bro, I'ma show him the ropes, so I pull out my Bible to school him (Let's go)

It's too many rappers who don't know their mission, they want my position (Move it)

Too caught up in numbers or caught up in wonderin' if I'm a Christian (Move it)

Not in a war 'til the King is back, uh

We out here smokin' that demon pack

You can tell Lucifer, "Go get the shooters" and look for a semi where Jesus

I like to move it, move it

Jumped off the porch, now I'm just coolin' (I'm just coolin', move it)

I had to chase my mood in life, when I woke up it's not Judge Judy (It's not  
Judge Judy)

I like to move it, move it, so please, get out the way, excuse me (Move it)
