Lecrae

(Hero did the beat bumpin' through your speakers)

What I gotta do to keep my brothers on the safe side?
Lost so many homies, I wish I could change a lot (What I gotta do?)
What I'm 'posed to do when they be lyin' on the outside?
Made it through the jungle, I done probably seen it all

Can't go to the past, if I do it might get dizzy (It might)
Snakin' in the grass, you say [?], say Mississippi (Snakey)
All my brothers smillin', they no longer shootin' Ricky (They used to)

In the party, I saw Offset and Cardi
Said I was prayin' for 'em, they said, "Thank you" and we parted
Skate around the city, goofy footed, feelin' gnarly
This in the Exodus, track number nine, Bob Marley
