

# Where We Come From

Lecrae

This is where we come from  
Yeah, we did it (Yeah, we did it)  
City on my back, I'm committed  
This is where we come from  
Yeah, we made it (Yeah, we made it)  
Now the whole team celebratin'  
We like...

Oh-oh-oh-oh oh-oh-oh (Oh)  
Oh-oh-oh-oh oh-oh-oh-oh (Oh)  
Oh-oh-oh-oh oh-oh-oh (Oh)  
Oh-oh-oh-oh oh-oh-oh-oh (Oh)

Don't mistake the new me for the old me (Old me)  
They can't stop me now, I'm with the home team  
No beginner, I'm a winner  
Took a couple losses, now I'm cookin', let me simmer  
Yeah, yeah, tunnel vision, all I see is win, win, win, win  
This my 'cedes section, where you been, been, been, been?  
We move faster along, buckle, further together  
We can weather any weather forever

A dream team, I done seen things, confidence is on a hundred thousand  
I got family from miles runnin' up the mileage (Mileage)  
Made it through some trials and some tribulations  
Now me and the team out here celebratin', yeah

This is where we come from  
Yeah, we did it (Yeah, we did it)  
City on my back, I'm committed  
This is where we come from  
Yeah, we made it (Yeah, we made it)  
Now the whole team celebratin'  
We like...

Oh-oh-oh-oh oh-oh-oh (Oh)  
Oh-oh-oh-oh oh-oh-oh-oh (Oh)  
Oh-oh-oh-oh oh-oh-oh (Oh)  
Oh-oh-oh-oh oh-oh-oh-oh (Oh)

One-two, one-two, forget the things you prolly thought you knew  
A new day is approachin', turnin' gray skies into blue  
I grew up on these same blocks, school of hard knocks  
Had to get it on the hard top, took the hard shots  
But we made it, anticipated, highly decorated  
The home team is winnin', celebratin'  
The victory is all mine, all mine  
And everything is alright, alright

And you know I done seen things, confidence is on a hundred thousand  
I got family from miles runnin' up the mileage (Mileage)  
Made it through some trials and some tribulations  
Now me and the team out here celebratin', yeah

This is where we come from  
Yeah, we did it (Yeah, we did it)  
City on my back, I'm committed

This is where we come from  
Yeah, we made it (Yeah, we made it)  
Now the whole team celebratin'  
We like...

Oh-oh-oh-oh oh-oh-oh (Oh)  
Oh-oh-oh-oh oh-oh-oh-oh (Oh)  
Oh-oh-oh-oh oh-oh-oh (Oh)  
Oh-oh-oh-oh oh-oh-oh-oh (Oh)
