And by Your power, I know You made a way  
And by Your power, I know You made a way

They told me it's over, I'm finished  
But God said, "Just wait and bear witness"  
He split the red tides, made the dead rise, just let Him handle His business (Yeah)

They told me, "Confess and believe" (Believe)  
I got so much dirt on my knees (My knees)  
'Cause I've been talking to the Lord all day telling Him all of my needs (Praying)

I need mercy, need grace

Need strength, I need faith

Need power 'cause the world's dark having trouble seeing Your face (Your face)

All of my life I had to fight, I done got tired of fighting  
You gave me life, You gave me light, I got the power to triumph

Here in my need, in my darkest time, Lord (Ooh)

I love You and none of me

I never have to worry 'cause

It's by Your power, I know You make a way

Make a way, know He gon' make a way

It's by Your power, I know You make a way, oh, yeah, oh

Make a way, know He gon' make a way

Came to my rescue and You always save the day

So many times that You've been faithful

It's by Your power, I know You make a way, oh, yeah, oh

Make a way, know He gon' make a way

Yeah, woke up traumatized, opened up my eyes, couldn't see the sun shining (Nah)

Momma could've died, cousin still on trial, life is such a fine line (Lord)

I had to deal with the pressure (Pressure)

I had to fight through depression (Depression)

I told my sister, "Don't give up" (Don't quit)

God known for changing the weather

Sometimes you destined to rain (Woo)

Sometimes you pray through the pain (Yeah)

But whether it's a clear or a cloudy day I'ma keep trusting His Name (Jesus)

Made me a believer (Hey)

Taught me the presence and power of Jesus (Jesus)

Made a way where it wasn't (Yeah)

Gave me strength to recover (Recover, recover)

Here in my need, in my darkest time, Lord (Ooh)  
I love You and none of me  
I never have to worry 'cause

It's by Your power, I know You make a way  
Make a way, know He gon' make a way  
It's by Your power, I know You make a way, oh, yeah, oh  
Make a way, know He gon' make a way  
Came to my rescue and You always save the day  
So many times that You've been faithful  
It's by Your power, I know You make a way  
Make a way, know He gon' make a way

Came to my rescue and You always save the day  
Came to my rescue and You always save the day  
You always save the day, oh  
You always come through, oh

Every time (Praise Your Name)  
You are my Hero  
You are my Hero  
Came to my rescue

So many times You've been faithful  
And I thank You, Lord  
So many times that You've been faithful
