Led Zeppelin

Well I just got into town today  
To find my girl who's gone away  
She took the Greyhound at the General Store  
I searched myself I searched the town  
When I finally did sit down  
I find myself no wiser than before

She said we couldn't do no wrong  
No other love could be so strong  
She locked up my heart in her bottom drawer  
Now she took my heart she took my keys  
From in my old blue dungarees  
And I'll never go to Texas anymore

R: Now my baby's gone I don't know what to do  
She took my love and walked right out the door  
And if I ever find that girl I know one thing for sure  
I'm gonna give her something like she never had before

I took her love at seventeen  
A little late these days it seems  
But they said heaven is well worth waiting for  
I took her word I took it all  
Beneath the sign that said "U-haul"  
She left angels hangin round for more

R: Now my baby's gone...

I thought I had it all sewn up  
Our love, a plot, a pick-up truck  
But folks said she was after something more  
I never did quite understand  
All that talk about rockin' bands  
But they just rolled my doll right out the door  
Oh yeah, they just rolled my doll right out the door!
