

Why you do this to me?
Take me through all these changes
Up and down, back and forth in my feelings
You don't think I know that
Part of you is giving up
Then you say that you love me still

Oh, I'm confused about your love
This is not enough and
I need more, can say how you feel about you and I?
Things have changed, are we okay?
The reason why I stay
When you look at me, there's love in your eyes

I'm doing it all for you (Yes, I'm)
I don't know what to do
I'm still in love with you
I'm still in love with you
I'm doing it all for you

Might be time for me to go
There's too much confusion
You're being so elusive with me
You're afraid to say it
To tell me that it's over
You say that you love me still

I'm afraid to give you up
This is not enough
If you could just say how you really feel about you and I
Things have changed, I'm not okay
The reason why I stay
When you're loving me, there's love in your eyes

I'm doing it all for you (Yes, I'm)
I don't know what to do
I'm still in love with you, yeah
I'm still in love with you
I'm doing it all for you

Ooh, baby, say it
I need the words to help me walk away
Say it
Tell me it's true what you're doing
I'm tryna walk away 'cause I don't deserve this
I don't know why I stay around
You

Oh, oh, yeah, yeah
I'm doing it all for you (I'm doing it for you, yeah)
I don't know what to do (Don't know what to do, but I'm)
I'm still in love with you
I'm still in love with you, yeah
I'm doing it all for you (I'm, I'm, yeah)
