

Anything For You - The Duet

Ledisi

If God took me away today
I pray I did everything I could to honor you
And when I open my eyes, there's joy each day
What a blessing, I'm waking up next to you

Your kisses are a sweet surprise
Still can't believe you're in my life
The impossible is possible because of you
I will love you past forever

(I'll do anything for you)
I will do anything for you, you
(Heart and soul, I)
I'll do anything for you
You are my life (my life), one means us two
(I'll do) anything, anything for you

What did I do
To deserve someone as special as you?
It's hard to believe
Like [?] you and me
I will do the things I need to do
Whatever it takes to prove to you
That I'm never leaving your side, side
You never have to question
Just know, I will yeah

I will do anything for you, you
You are my life, one means us two
Anything, anything for you

You will never know
How far my love will go
All the sacrifices you made to change my life
You mean so much to me
I wish that you could see
All the joy you bring to my life

I'll do anything for you, you
You are my life, one means us two
Anything, anything for you
I will do anything for you, you
You are my life, one means us two
(You're my peace of mind)
Anything, anything for you
(Oh, when everything is wrong, you're right)
I will do anything for you, you
You are my life, one means us two
Anything, anything for you

Anything for you
Anything for you
Anything for you
I'll do anything for you
yes, anything, anything for you
