

## Been Here (Outro)

Ledisi

Thank you for coming out, yall!  
I hope you had a good time tonight  
Listen to me now  
Ain't nothing left for me to sign  
I'm gonna wait and let the band play  
We've been waiting for you, but now you're through  
Because we've been here, what, all the time  
Goodnight yall!  
(Been here, la da do do do do)  
Thank you for coming out, yall!  
Be good
