Where you all been?
Listen... I've been waitin' for yall to understand
I've been waitin' for yall to clap your hands
I've been waitin' on you, waitin' for you
Cause I've been here all the time
I've been waiting so I can do my thing
I've been waitin' for yall to hear me sang
I've been waitin' on you, waitin' for you
Cause I've been here all the time
