

Devotion

Ledisi

Through devotion, blessed are the children
Praise the teacher, that brings true love to many
Your devotion, opens all life's treasures
And deliverance, from the fruits of evil
So our mission, to bring a melody
Ringin' voices sing sweet harmony

For you here's a song, to make your day brighter
One that will last, you long thru troubled days
Giving your heart the light to brighten
All of the dark that falls in your way
You need devotion, bless the children
Deliverance from the fruits of evil

In everyone's life, there's a need to be happy
Let the sun shine, a smile your way
Open your heart, feel a touch of devotion
Maybe this song, will help uplift your day

Make a better way
You need devotion
