

# Hate Me

Ledisi

Come here  
Let me talk to you

One call, two calls, three calls  
Is that what I do to you?  
You're outside my door, scared to be alone  
I know you're addicted too

I know it's hard to understand  
Sometimes a woman gonna act like a man  
And when it feels like I'm running things  
I know you 'bout to lose your mind

I know you hate me  
Yeah, but sometimes, that's just the way love is sometimes  
Don't you hate that you love me?  
And I know that, you know that I love you  
Even though you don't believe it, baby, yeah  
I know you hate me but you can't stop loving me

You're walking out saying that you've had enough  
But you're never gonna leave  
I choose to love you anyway but, baby  
Won't you let me breathe?

You always sneaking and there's someone else  
Gonna be real with you  
I don't wanna be saying this myself  
You knew what it was when I met you  
And that's just how it is loving me

(I know you hate me)  
Sometimes, that's just the way love is  
(Don't you hate that you love me?)  
I know you want more but I can only give what I have  
(I know you hate me but you can't stop loving me)

Oh, I love you, yeah, you mean the world  
Baby, yeah, yeah  
I know you hate the way you love me  
You know I love you  
Sometimes, love, you drive me crazy  
Still gon' be my baby, my baby, my baby

(I know you hate me)  
I know what it feels like, I know what it feels like  
I don't want to but I do  
(Don't you hate that you love me?)  
I just need some space sometimes, yeah, sometimes  
(I know you hate me but you can't stop)

Loving me  
Oh, yeah, yeah  
Oh, oh, yeah
