

I Swear

Ledisi

Like a puzzle piece we fit together perfectly
picture my life with you in it I'm complete
it feels like I've waited a lifetime
and I'll wait again for you to be mine
I'll let go of everything for this
make sacrifices because I know it's worth it
you give my life brand new purpose
and now we're here baby we deserve this

I swear I'll be with you now tomorrow until forever I'll stay
I swear I'll never let nothing no one come take your love away
I swear I promise I'm yours I won't give you more its you that
I adore
I swear love will save us nothing will break us you have me I s
wear.

If I tried I couldn't leave you if I wanted to
cause my heart and my soul became one with you
it feels good having fun with you real good when I'm loving you
I'll let go of everything for this
make sacrifices because I know it's worth it
you give my life brand new purpose
and now we're here baby we deserve this

I swear I'll be with you now tomorrow until forever I'll stay
I swear I'll never let nothing no one come take your love away
I swear I promise I'm yours I won't give you more its you that
I adore
I swear love will save us nothing will break us you have me I s
wear.

Precious, so blessed, so considerate when I hopeless.
You put me first so many times. That's why your first in my eye
s.
I'll follow your lead, wherever you there I'll be.
You bring out the best in me. And that's why I'll never leave.

I swear I'll be with you now tomorrow until forever I'll stay
I swear I'll never let nothing no one come take your love away
I swear I promise I'm yours I won't give you more its you that
I adore
I swear love will save us nothing will break us you have me I s
wear.
