

# I Tried

Ledisi

I tried I can't  
I don't wanna do this  
Let me go  
I tried we tried  
I can't do this

Phone calls  
Hang ups  
Break downs  
Break ups  
People always make up  
But sometimes it never last  
When the pain is too deep  
So bad that you can't sleep  
You fussing fighting  
Can't take back what's already been done

Ain't no more to say  
Ain't no more to do yeah  
You got to move on  
You try your best and you can't turn it loose  
It's time for you to let it go  
How do you say no  
You you gotta move on

I tried you tried we tried  
Time to move on  
I gotta move on  
I tried we tried  
It's time time to move on

We said we would  
Always be one  
Different journeys  
Too many changes  
It wasn't meant to be  
My souls burnin'  
Trying to let go of the pain  
No more dreaming  
Can't take back what's already been done

Change  
I gotta get over you  
What we had is through

Baby I don't wanna do this  
Ain't got no regrets  
Now it's time for next  
Baby I know you know  
Baby we tried

We don't know what to say  
We've done all we can do  
We gotta move on  
For some reasons we can't turn it loose  
I'm always gonna care about you  
But I gotta live without you

We gotta move on

I tried you tried we tried  
Time to move on  
Time to move on  
I tried we tried  
It's time time to move on

You gotta let me go  
Baby just let me go  
You gotta let me go

You gotta let me go  
When you gon' let it go  
Baby just let me go

I tried you tried we tried  
Time to move on  
I gotta move on  
I tried we tried  
It's time time to move on

You gotta let me go  
Baby just let me go
