

Round Midnight

Ledisi

It all began 'round midnight, midnight
I do pretty well 'til after sundown
Supertime, I'm feelin' bad
When old midnight comes around
Memories always start 'round midnight
Haven't got the heart to stand those memories
As my heart is still with you
And old midnight knows it, too
When some quarrel we had needs mending
Does it mean that our love is ending
Darling, I need you
Lately I find
You're out of my arms
And I'm out of my mind
Let our hearts take flights 'round midnight, midnight
Let the angels sing and show their magic
Let our love be safe and sound
When old midnight comes around

When some quarrel we had needs mending
Does it mean that our love is ending
Darling, I need you
Lately I find
You're out of my arms
And I'm out of my mind
Let our hearts take flights 'round midnight, midnight
Let the angels sing and show their magic
Let our love be safe and sound
When old midnight comes around
When old midnight comes around

When old midnight comes around
