

# Same Love

Ledisi

It don't get no hotter than July  
Baby I'm so happy I replied  
Left our inhibitions at the door  
We know exactly what we came here for  
We ain't really trying nothing new  
I don't really mind the deja vu  
History is better on repeat  
All I know is every time we meet

I get the same love  
We ain't the same, love  
But it's the same love  
Same love

Boy the way you're living in my lap  
Almost makes me wanna take you back  
We ain't trying to make this house a home  
But that don't mean we're leaving it alone  
You gon' drive me insane  
I feel like I'm losing my mind  
We shouldn't be  
Playing these games  
We're already out of time  
We keep on  
Finding a way to  
Make it feel brand new  
I don't know what to do  
When I keep coming to you

I get the same love  
We ain't the same, love  
But it's the same love  
Same love  
I get the same love  
We ain't the same, love  
But it's the same love  
Same love

I'm never too far but you won't let me closer  
We're better apart but we just can't find closure  
Freezing the frame as we're changing the picture  
Isn't quite what we remember

But it's the same love  
We ain't the same, love  
But it's the same love  
Same love  
Weather might change, love  
But when it rains, love  
We'll share the same love  
Same love
