

## Runnin' From His Love

Lee Aaron

I got myself in trouble, I'm runnin' from the law  
'Cause 'e thinks I tip the scales  
This boy he's kinda jealous, he makes me toe the line  
He wants me in his jail  
I'm runnin', runnin'..  
Runnin' from his love...  
I'm runnin', I'm runnin'..  
Runnin' from his love...  
He says that I am guilty, the evidence is clear  
It's plain for all to see  
The Crown is very simple, I broke 'is heart in two  
It's murder in the first degree..  
I'm runnin', runnin'..  
Runnin' from his love...  
I'm runnin', runnin'..  
Runnin' from his love...  
He knows he's judge 'n' jury, he's gonna make me pay  
I know that I can't win  
Insanity is what I plead he's gotta let me go  
I promise, I won't sin, again...  
I'm runnin', runnin'..  
Runnin' from his love...  
I'm runnin', runnin'..  
Runnin' from his love...  
I couldn't serve the sentence, or wear the ball an' chain  
I'm a young girl in my prime  
I know that when 'e finds me, he'll wanna give me life  
But I can't do that much time  
I'm runnin', runnin'..  
Runnin' from his love...  
I'm runnin', runnin'..  
Runnin' from his love...  
I'm runnin', runnin'..  
Runnin' from his love...  
I'm runnin', runnin'... from..., his..., love...
