

# One of Them Girls

Lee Brice

Are you one of them girls  
That peels off the Bud Light label  
Just might run a pool table  
Roll your eyes if I call you an angel, ain't you  
One of them girls  
Ask you to dance, you say no  
Just to see how far I'll go  
Your song comes on and your eyes close  
That's when I know, yeah

You got your heart on lockdown  
Got a wall I gotta knock down  
Kinda wanna do a shot now  
Come on, now

And you're one of them girls, that  
Ain't tryna meet nobody  
You're just here for the party  
If I'm wrong, then stop me, yeah  
You're one of them girls that  
Ain't handin' out your number  
You like to make us want ya  
You like to make us wonder

If you're one of them girls  
'Cause I'm one of them boys  
Who'd trade his whole world, yeah

For one of them girls  
Who likes to act all quiet  
Sexy, not even tryin' it  
Yeah, you know I ain't lyin', damn right  
You're one of them girls  
Broke every heart in your hometown  
On the day you rolled out  
Got 'em all wishin' on stars now

If I found one of them girls, that  
Ain't tryna meet nobody  
You're just here for the party  
If I'm wrong, then stop me, yeah  
You're one of them girls that  
Ain't handin' out your number  
You like to make us want ya  
You like to make us wonder

If you're one of them girls  
Well, I'm one of them boys  
Who'd trade his whole world, yeah  
For one of them girls

You're one of them girls  
I wanna put my lips on  
Hold all night long  
Write a little love song

For one of them girls, that

Ain't tryna meet nobody  
You're just here for the party  
If I'm wrong, then stop me, yeah  
You're one of them girls that  
Ain't handin' out your number  
You like to make us want ya  
You like to make us wonder

If you're one of them girls  
Well, I'm one of them boys  
Who'd trade his whole world  
His whole world  
For one of them girls  
Mmh, one of them girls
