

# Orange Empire

Lee Brice

Gonna get lost in the Orange Empire  
Gonna get caught in the jaws of the tiger  
We got the stripes and the paws of a fighter  
Gonna get lost in the Orange Empire

Death Valley eighty thousand strong  
Our boys standin' on the top of the hill  
Can you feel the rumble comin' on?  
We're about to impose our will on you  
Nowhere to run nowhere to hide  
You shoulda known when you stepped inside

Gonna get lost in the Orange Empire  
Gonna get caught in the jaws of the tiger  
We got the stripes and the paws of a fighter  
Gonna get lost in the Orange Empire

C-L-E-M-S-O-N T-I-G-E-R-R-R-S!  
Fight Tigers! Fight Tigers!  
Fight! Fight! Fight!

Gonna get lost in the Orange Empire  
Gonna get caught in the jaws of the tiger  
We got the stripes and the paws of a fighter  
Gonna get lost in the Orange Empire
