

# Don't Be Afraid

Lee DeWyze

(Verse)

Well I've seen love and I've seen pain  
But never in my life will I feel these things again  
So I won't and I won't let go  
But I'm holding on too tight, my daughter let me know

(Verse)

I fix my heart and my broken bones  
I can't stand up on my own don't need to stand alone  
Lift me up so I can see the light  
And when the sun goes down I'll know where it belongs tonight

(Pre-Chorus)

Everybody's waiting for a fall  
But I will never let them see me stumble now, I'm never gonna f  
all

(Chorus)

Don't be afraid, don't be afraid  
We learn how to deal with pain  
Don't be afraid, don't be afraid  
We all sort it out this way, hey

(Verse)

Well I've been lost and I've been found  
But never in my life would I beckon you the sound  
Of your words, I'm calling out  
And if you hear the move you ain't gonna find your heart someho  
w

(Pre-Chorus)

Everybody's waiting for a fall  
But I will never let them see me stumble now, I'm never gonna f  
all

(Chorus)

Don't be afraid, don't be afraid  
We learn how to deal with pain  
Don't be afraid, don't be afraid  
We all sort it out this way, hey
