

Sink Or Swim

Lee DeWyze

Hold on a minute now, just for a second, wait
I have it figured out
This is a big mistake

What do you think, do you think, do you think I did?
What do you think it is?

Throw me overboard
Let's see if I sink or swim
Throw me overboard
It's not what you think it is
Throw me overboard
Let's see if I sink or swim

Hold on a moment now, just for a second wait
I am a prisoner, this is my great escape

What do they think, do they think, do they think I did?

Is this any way to live?

Take the deepest breath

Throw me overboard
Let's see if I sink or swim

Throw me overboard
It's not what you think it is

Throw me overboard
Let's see if I sink or swim

Throw me overboard
Let's see if I sink or swim
