

# Blessed With The Best

Lee Fields

If I had all the money I could spend  
But didn't have you as my best friend (Take the money!)  
Diamonds and gold won't satisfy my soul  
Only you can make me whole, honey  
I don't need those things, cars, boats, and rings  
Only the sweet love you bring  
'Cause you and I, can't you see?  
We were meant to be

'Cause I've been blessed with the best of you  
I've been blessed with the best of you  
To you, love, I'll always be true  
'Cause I'm blessed with the best of you

Day after day, our love continues to grow  
Like a beautiful flower in a garden  
We weather the storm of winter's cold  
Yet our bond continues to harden  
I believe in you, you believe in me  
They can have it all—just let us be (Let us be! Let us be!)  
Material things, you can't take 'em to the grave  
Our love will last longer than anything ever made, yeah!

'Cause I've been blessed with the best of you  
I've been blessed with the best of you  
To you, love, I'll always be true  
I've been blessed with the best of you

Day after day, our love grows  
When I think it's grown, you show me more  
Much more than the day before  
When I think it's impossible to love you more  
I'm loving you more

Woah, I've been blessed (Blessed by you)  
Yeah, I've been blessed (Blessed by you)  
I've been blessed (Blessed by you)  
With the best of you (Blessed)  
Oh, with the best of you (By you)  
I've been blessed (Blessed by you)  
Can't you see?  
I've been blessed (Blessed)  
And I could never, never thank you enough
