

Don't Give Up

Lee Fields

Don't give up, my love
Don't give up on me

When the day breaks and there's too much pain staying
And the winds of uncertainties have rattled your faith
That's the time for you to reach out and grab a loving hand
And put your trust in a power that's greater than man

I, I know the road is long, (and you feel so down now)
And nothing good for you (can be found now)
But I believe if you just give your trust, (it'll turn around now)

Don't give up, my love
Don't give up on me
Don't give up, my love
Don't give up on me

Hour after hour, try to find a little relief from this pain
You think of the things you used to do to keep from going insane
But I believe, if you just put your trust in a higher power
I believe relief will be restored by the hour

I, I know the road is long, (and you feel so down now)
And nothing good for you (can be found now)
But I believe if you just give your trust, (it'll turn around now)

Don't give up love, my love
Don't give, don't give up on me
Don't give up on me
Don't you give, don't you give up on me

Don't give up love, my love
Don't give, don't give up on me
Don't give up, my love
Don't give, please don't you give up on me
