Forever

Lee Fields

I wanna hold you forever
I wanna love you forever

I now forever may seem like a mighty long time
But in this case baby, it ain't long at all
Cause when I see those big beautiful eyes
Looking into mine

I wanna hold you forever
I wanna love you forever

So many songs have said these same things before
But this one darlin', it's for you and me
So if it's alright with you I'm gonna sing it once more

I wanna hold you forever
I wanna love you forever
I wanna love you, yes I do now

Ooh, don't worry darlin' about the rest of our lives
Through thick and thin, I'll be there by your side
The best thing I ever done was to make you my wife

And I'm gonna hold you forever
I'm gonna love you forever
I'll be there in times of trouble
I'll be there, you don't have to worry
Be by your side, your confidant and be your lover
You don't even have to call me baby
I'll be there with my arms wrapped around you
Oh, I'll be there
