

# God Is Real

Lee Fields

I've been through a lot of changes in my life  
And I also had a lot of good times  
But right now I wanna talk about how I got through bad times in  
my life  
If it's gonna help somebody who's down and out  
You see, I was down  
Didn't know what to do  
Nowhere to go  
And no one to turn to  
Then I remembered  
What my mama told me  
"Son, when you're in trouble  
Get on your knees"

God is real  
Yes, He is  
God is real  
Yes, He is, ma  
God is real  
God is real

One more thing I wanna say right here: this song is for those who are in great pain right now. This song is for those who are lost. This song is for any one of you who are suffering any kind of agony. I'm asking you to put your trust and faith in God. It doesn't matter where you come from

God is real  
God is real  
God is real (This song is for those of you who are in pain right now)  
God is real (And for those of you who might be lost)  
God is real (I want you to know God is watching 24/7, 365)  
God is real (The only thing you gotta do is just...)  
'Cause God is real
