

# How I Like It

Lee Fields

I want it just like I like it  
I want it just like I like  
I want it

Sometime I like it hard  
Sometime I like it cold  
Sometime I like it fresh  
Sometime I like it old  
Sometime I like it easy  
Sometime I like it rough  
Sometime I like it so much I can't get enough  
Oh, oh

I just like it, like I like it  
I just like it, like I like  
I just like it, like I like it  
I just like it, like I like

Ooh, ooh, oh yeah, yeah, yeah  
Oh, oh, alright

Sometime I like her when she is a good girl  
Sometime I like her when she's naughty, naughty  
Sometime I like her when she's holier than Moses  
Sometime I like her when she's acting ferocious

I just like it, like I like it  
I just like it, like I like  
I just like it, like I like it  
I just like it, like I like

Oh, oh, oh  
Yeah, yeah, yeah  
Oh, oh  
Huh!

I just like it, like I like it  
I just like it, like I like  
I just like it, like I like it  
I just like it, like I like
