

Just Give Me Your Time

Lee Fields

I don't need your promises
I don't need your lies
I don't need your tears
And I don't need your sighs

Just call me up baby, and I'll love you over again
Just give me your time

I'm outside your door
And I don't mind the rain
I'm just waiting and waiting and waiting and waiting
For the end to this pain

Just let me in baby, and I'll love you over again
I just need your time

(Ooh, ooh, ooh)
(Ooh, ooh-ooh, ooh-ooh, ooh, ooh)

Don't worry baby, I won't break your heart
I can be gentle like I was in the start
And I'll love you over and over, and over again

Just need your time
Just need your time
I just need your time (Time)
Ooh, open the door baby (Time)
Let me come on in
