

# My World Is Empty Without You

Lee Fields

My world is empty without you, babe  
My world is empty without you  
My world is empty without you, babe  
My world is empty without you

And as I go my way alone  
I find it hard for me to carry on  
I need your strength. I need your tender touch  
I need the love, my dear. That I miss so much

My world is empty without you, babe  
My world is empty without you

From this old world, I try to hide my face  
But from this loneliness, there's no hiding place  
Inside this cold and empty house I dwell  
In darkness, with memories that I know so well

My world is empty without you, babe  
My world is empty without you  
...

My world is empty without your love  
I'm so lonely. I'm so lonely  
Without you. You, baby. Can't you see?  
Can't you see what you're doing to me?  
Without you, my life would be nothing  
Girl, without you, my life would lead miserably  
Without you. Oh! You just don't know  
Without you
