

# Never Be Another You

Lee Fields

There is no limit  
Cause you can't measure the things I want to do for you  
Please let me do it  
Cause it's my pleasure  
I get so much joy outta' servin' you  
And oh, it makes me so happy  
When I see you happy  
I get such a thrill when I see you smile  
And oh, bein' close to you  
Bein' close to you  
Makes all my dreams come true

There will never be another you  
There will never be another you  
There will never be another you  
You're one of a kind

Heaven shouldn't be better  
Cause there is nothing  
I said nothing, nothing as good as this  
There is no where I would go  
Just to be in your arms  
And for a tender kiss  
And oh, you're so precious  
You're so rare  
Makes me feel like a billionaire  
And oh, to be close to you  
To be close to you  
Makes me feel like a dream come true

There will never be another you  
There will never be another you  
There will never be another you  
You're one of a kind

My baby it's good to know  
That we in this together  
All we been through  
All we going through  
And all we will go through  
Knowing that you were down with me  
Oh wow, you've convinced me

Woah  
Oooo
