Paralyzed

Lee Fields

I told her this time I'm gone
It would never be the same
You'll be left all alone
Only you to blame

Paralyzed, paralyzed
Running out of light
Paralyzed, so paralyzed
I can see it in your eyes

So hold me 'cause this is the end
Lies is my guide
There is no need for us to suspend
This feeling inside

Paralyzed, so paralyzed
Running out of light
Paralyzed will say paralyzed
I can see it in your eyes
Lord have mercy

Paralyzed, paralyzed
We're running out of light
Paralyzed, so paralyzed
I can see it in your eyes

Paralyzed, ooh so paralyzed
Girl, you can't deny
Paralyzed, so paralyzed
