

Save Your Tears for Someone New

Lee Fields

You say that we can't go no more (Ah, ah, ah, ah)
I watch your teardrops hit the floor (Ah, ah, ah, ah)
But baby, that's just what you do (Ah, ah, ah, ah)
And I know that it ain't true (Ah, ah, ah, ah)
So save your tears for someone new (Don't cry for me)
(Don't cry for me, girl)

You came to me with crying eyes (Ah, ah, ah, ah)
You had to leave the other guy (Ah, ah, ah, ah)
Now I'm the other guy to you (Ah, ah, ah, ah)
So, I'll tell you what you do
Save your tears for someone new (Don't cry for me, girl)
Don't cry (Don't cry for me)

You act your scene there masterfully (Ah, ah, ah, ah)
But don't you waste your act on me (Ah, ah, ah, ah)
'Cause baby, I'm over you and you know that it's true (Ah, ah,
ah, ah)
So save your tears for someone new (Don't cry for me, girl)
Oh, no, no (Don't cry for me)
(Don't cry for me)

A girl like you can cry for fun (Girl, don't cry for me)
Forgive me, I can't shed one, uh (Don't cry for me)
That one time lie that wasn't true
Now I ain't crying over you (Don't cry for me)
Save my tears for someone new (Don't cry for me)
Gonna save my tears for someone new (Girl, don't cry for me)
For someone new (Don't cry for me)
No, no, no, no, no, no (Girl, don't cry for me)
No
