

# She's A Lovemaker

Lee Fields

Hey-hey, woah ho, uh!  
Good god

She's a lovemaker  
She's alright, outta sight  
She's a lovemaker  
Hot as fire, that's no lie  
She's a lovemaker  
She's alright, outta sight  
She's a lovemaker  
Hot as fire, that's no lie  
Look here

Know just how to please me  
She make me fall right  
Told a good thing, honey  
Woah, and all in a-the night  
In the morning, I get let out of work  
She'll sock it to me again  
It make me feel so good  
I just van, van, vin

She's a lovemaker  
She's alright, outta sight  
Look here

She's sweeter than cookies and cakes  
That grandma used to make  
The woman is so together, she locked up for the date

She's a lovemaker, hey  
She's lovemaker, ya-how

She's my heart's desire  
That is why I love her so  
Never let go, she mean the world to me  
Can't you see, she's mine all mine  
I ain't lyin', sweet as honey  
Get all my money, get you what you want  
Anytime you want it, anything I'll do  
She never say noted, hey  
Yow, woah

Let me tell you one more thing  
Let me tell you one more thing  
Let me tell you one more thing  
In the evening when I get home from work  
She's ready and able  
Hell, a donna cook  
And a rag on the table  
Rub me down when I get home  
Gettin' ready for the night  
Fellas, I got to tell you  
This woman is outta sight

She's a lovemaker, hey  
Lovemaker, yay

She's a lovemaker

I feel, I feel, I feel, feel  
Feel hot, wanna scream  
Feel like I wanna scream  
I feel like I wanna scream  
She make me feel, make me feel  
Make me feel, make me feel good  
Yah-hey, yah-hey-hey  
Lord have mercy, huh, oh  
Do it
