

The Door

Lee Fields

Don't leave me
Don't leave me
I'm nothin' without you darlin', don't you know?
Don't leave me
Don't leave me

Who needs this heart of mine if I'm all alone?
But if you really loved me, you wouldn't walk out that door
Don't go

Don't leave me
Don't leave me
What's the use of happiness if you go?
Don't leave me
Don't leave me

These arms are meaningless if you I can't hold
But if you loved me, you wouldn't walk out that door

Don't leave me, please darling (Don't leave me)
Don't leave me
'Cause I just can't live without you (Don't leave me)
(Don't leave me) And I know, I know, I know
(Don't leave me) I wouldn't make it one day
(Don't leave me) I wouldn't make it
(Don't leave me) One day without your
Sweet love (Don't leave me)
For God knows, your sweet love (Don't leave me)
