Wanna Dance

Lee Fields

Everybody get up and boogie
This is the last dance

When I'm feeling sad, music makes me glad
So glad I'm alive
Maybe that's why

I wanna dance, the last dance with you
I wanna dance, the last dance with you

Baby, oh baby
Don't turn me down tonight
'Cause my head is together
And ooh, I'm feelin' alright

Come on and dance, the last dance with me
Come on and dance, the last dance with me
Let's dance the last dance together
Let's dance the last dance together

I wanna dance (Dance)
I got to dance (Dance)
Come on and dance (Dance, last dance)
I wanna move (Dance)
I wanna groove (Last dance)
I wanna dance (Dance, last dance)
I wanna shake my body (Dance)
I wanna party hardy (Last dance)
I'm gonna move (Dance)
I'm gonna groove (Last dance)
I wanna freak (Dance)
Funky, funky freak (Last dance)
Wanna bop (Dance)
On the round (Last dance)
I wanna dance, now (Dance)
I wanna dance (Last dance)
Freak (Dance)
Let's freak (Last dance)
Rock (Dance)
Rock (Last dance)
Freak (Dance)
Freak (Last dance)
Rock yourself (Dance)
Rock your body (Last dance)
Freak (Dance)
Freak (Last dance)

Rock your body, rock your body
Wanna move, let me see you groove
Let me you move, now
Let me see you shout, let's turn it out
Let me see you shout, we're gonna turn it out
Everybody shout, now
We're gonna turn it out, hey, hey-hey
Everybody shout (Dance)
Let's turn it out, now (Last dance)
Everybody shout (Dance)

We're gonna turn it out (Last dance)
