

# What Did I Do

Lee Fields

I, I took all the love that you gave to me  
Then I, I took all my things and set you free  
What did I do?  
Baby, baby, baby what did I do?

You  
You were all the world to me, oh  
But I, oh I  
Didn't give you nothin' but misery  
What did I do?  
Baby, baby, baby, what did I do?

I just couldn't keep on taking what I was taking  
Fussin' and fighting, rattling my bones  
But when I remember all the love we were making  
How I burned and rolled over  
Now I'm cold and all alone

Tell me why, ooh  
Was I so confused?  
Somebody please tell me  
Why was a love so strong, so easy to lose?  
What did I do?  
Oh, what did I do?  
What did I do?  
Somebody please, tell me what did I do  
Please, oh what did I do?
