

# Work To Do

Lee Fields

I've got work to do  
For me and you  
I've got work to do baby baby

I never realized how I hurt the people gotta close to me  
And caused so much pain heartaches and misery  
Now I know it's time for me to take some responsibility  
That's why I'm gonna be at the counselor's office Monday at a quarter to three

I've got work to do  
For me and you  
I've got work to do baby baby  
I've got work to do  
For me and you  
I've got work to do baby baby

See I like to have a little fun when I've had a few  
But my woman just told me it's getting out of hand  
And I can no longer live with you  
She said, if you really want me and the kids in your life  
She said, be at the counselor's office and I'm not gonna say it twice

I've got work to do  
For me and you  
I've got work to do baby baby  
I've got work to do  
For me and you  
I've got work to do for my beautiful family too  
For my loving wonderful woman  
My adorable cute little children  
I'm gonna win this bout  
There's no doubt

I...I've got work to do  
If I'm gonna keep her and my family too  
I've got work to do  
For me and you  
I've got work to do baby baby
