

You Can Count On Me

Lee Fields

I see you out with him at night
A different night but the same fight
Aren't you tired of all the games he plays?
Now he's got the upper hand
And that I don't understand
I can't believe you don't just walk away

You can count on me (You can count on me)
You can count on me (Oh, baby you can count on me now)
You can count on me (You can count on me)
You can count on me

He must be out of his damn mind
To let you walk out this time
Girl, I hope his loss is my gain
But let me tell you somethin' from my heart
Now that you and him are apart
Girl if you let me in, you'll never be hurt again

You can count on me (You can count on me)
You can count on me (Oh, baby you can count on me now)
You can count on me (You can count on me)
You can count on me

But the years have passed us by
And time proves that I am the guy that was meant to be by your side
Through all the thick and thin, you'll never be alone again
We got our love, won't ever ever die

You can count on me (You can count on me)
You can count on me (Oh, baby you can count on me now)
You can count on me (You can count on me)
You can count on me

A-la-la-la-la-la
A-la-la-la-la
A-la-la-la-la
La-la, la-la-la-la
A-la-la-la-la-la
A-la-la-la-la
A-la-la-la-la
La-la, la-la-la-la

You can count on me
You can count on me
You can count on me
You can count on me

A-la-la-la-la-la
A-la-la-la-la
A-la-la-la-la
La-la, la-la-la-la
A-la-la-la-la-la
A-la-la-la-la
A-la-la-la-la
La-la, la-la-la-la
A-la-la-la-la-la

A-la-la-la-la
A-la-la-la-la
La-la, la-la-la-la
