

## Son of a Gun

Lee Hazlewood

It hurts to be told when you're not very old  
That you're an outlaw's son  
And the older you get they won't let you forget  
That you're the son of a gun a bad bad gun you son of a gun  
And then you'll meet someone so sweet and she says her heart yo  
u've won  
But her old dad get's awfully mad  
She'll marry no son of a gun a bad bad gun the son of a gun  
One day her dad must face a bad a bad outlaw with a gun  
You're quick on the draw and you saved her pa  
You no good son of a gun a bad bad gun you son of a gun  
Now everyone who is someone smiles at the outlaw's son  
You're one of the crowd her dad's so proud  
She'll marry the son of a gun a bad bad gun the son of a gun  
She'll marry the son of a gun
