Why is this my fault? It's all your fault
How is this for me? It's for you
Stop beating around the bush it's so like you
If it's really for me, if it's really my fault
Then stop calling me, I won't pick up
I hope you're unhappy
I'm sorry, that's a lie, a boy

You can forget me, you can forget all of me,
You can be happy now
Just know one thing
I lived because of you

What do you want? What more can I say?
How is this not over yet, what do you want me to do?
Stop pushing it all together,
I said that I didn't like to cry

If we're gonna end this anyway (no),
If it's is already over (now)
Stop getting angry, I won't listen
I hope you're unhappy
I'm sorry, that's a lie, a boy

You can forget me, you can forget all of me,
You can be happy now
Let's just clear up one thing before you leave
I only knew you
You can forget me, you can forget all of me,
You can be happy now
Just know one thing
I lived because of you

Because of you
Because of you
I laughed, I cried, those fiery days

You can forget all of me, you can be happy now
We fought too much,
I can't do this anymore

You can forget me, you can forget all of me,
You can be happy now
Just know one thing
I lived because of you

(Why is this my fault?)
(Why is this my fault?)
(Why is this my fault?)
(Why is this my fault?)
