The shaking sound of the wind
Shakes up my heart and passes by
Even though I've hurt all I could
How much more do I have to hurt
In order to be just fine?
As if it's nothing
You just pass me by
Even after time and seasons pass
My heart keeps getting colder
But I can't become cold by myself
Again today, you are
Passing by
Passing by

Like I'm cut by a sharp knife
You pass me by like that
How much more tears do I have to shed
To get used to being alone?

As if it's nothing
You just pass me by
Even after time and seasons pass
My heart keeps getting colder
But I can't become cold by myself
Again today, you are

I don't even know my own heart
(I don't know you)
So I gave you a hard time (I hurt you a lot)
So I'm just sorry, I'm just thankful
If you leave me, I can't ever see you again
But I'll be missing you

As if it's nothing
You just pass me by
Even after time and seasons pass

My heart keeps getting colder
But I can't become cold by myself
Again today, you are

Passing by
