Like you've lost all words
Your eyes are wandering
It's obvious
So obvious

You're gonna beg and beg again
My friends are gonna try to stop me
It's obvious
Now I can only laugh baby

I'm sorry
No baby
I'm sorry
I'm sorry
You can stop being sorry

I'm out of this game
I wanna stop

I don't know why but your phone calls stopped
Like putting together pieces of a puzzle
It's obvious

So obvious
(Maybe? Of course)

Every night, you call
Laying out your excuses
I don't wanna hear it, I'm tired, no more

Even if you cry and throw a fit
Even if you stop eating
Now it's not even funny

Because of your bright smile and your beauty
I kept staring at you and I was blind for a moment

Because of the weight of those other girls
Things got too heavy and you wanted to be light
Every guy gets happy with a new road
Because every night is the same
u only missin' home when u hit the road
ye u only know when u let her go
that ur still in love with her

Our fights were a tiring cycle
Those girls aren't even half of half of us
But in all aspects, you were up a notch

I've just been out for a while
But I realized that if there is a soulmate, you're mine
If it's too late, I'll wait
Just like the time we first met

I'm sorry
No baby
I'm sorry
I'm sorry
You can stop being sorry
I'm out of this game
I wanna stop

Your mistakes endlessly repeat
It's like screaming at a wall
I can't wait any longer
Take me out of this stupid game

I'm sorry
No baby
I'm sorry
I'm sorry
You can stop being sorry
I'm out of this game
I wanna stop

I'm sorry
No baby
I'm sorry
I'm sorry

You can stop being sorry
I'm out of this game
I wanna stop
