

# Nothin' On

Lee Kernaghan

When the long day's over  
And the work's all done  
Nowhere to be  
Check the diary  
We got nothin' on

It's time to relax  
Gonna feel it on back  
Just like an old Hank song  
That's the kind of thing that we like to do  
When we got nothin' on

Well take off your hat  
Kick off your boots  
You make the world go 'round  
Baby don't stop there  
Let down your hair  
Get stripped, unzipped, unwound

The moon is bright  
And the time is right  
We got nothin' on  
Sand on our feet down by the creek  
We got nothin' on

Let's have a sip  
We're gonna take a dip  
Girl it can't be wrong  
The world's a whole lot better place  
When we got nothin' on

Well take off your hat  
Kick off your boots  
You make the world go 'round  
Baby don't stop there  
Let down your hair  
Get stripped, unzipped, unwound

Now way out back  
Down an old dirt track  
Out where the moon light shines  
I'm feelin' free, it's just you and me  
Hear that engine whine

We don't need no money  
We don't need no song  
We've got a good thing goin'  
We got nothin' on

Well take off your hat  
Kick off your boots  
You make the world go 'round  
Baby don't stop there  
Let down your hair  
Get stripped, unzipped, unwound

Take a sip

And let's have a dip  
Girl it can't be wrong  
We've got a good thing goin'  
We got nothin' on  
And the world's a whole lot better place  
We got nothin' on

(That's right)

(Yeah)
