

## Trip Around the Sun

Lee Kernaghan

Here I'm singin' happy birthday  
Better think about the about the wish I make  
This year gone by ain't been a piece of cake

Every day's a revolution  
Pull it together and it comes undone  
Just one more candle and a trip around the sun

I'm just hangin' on while this old world keeps spinning  
And it's good to know it's out of my control  
If there's one thing that I've learned from all this livin'  
Is that it wouldn't change a thing if I let go

No you never see it comin'  
Always wind up wonderin' where it went  
Only time will tell if it was time well spent  
It's another revelation  
Celebrating what I should have done  
With these souvenirs of my trip around the sun

I'm just hangin' on while this old world keeps spinning  
And it's good to know it's out of my control  
If there's one thing that I've learned from all this livin'  
Is that it wouldn't change a thing if I let go

Yes I'll make a resolution  
That I'll never make another one  
Just enjoy this ride on my trip around the sun  
Just enjoy this ride  
Until it's done  
Until it's done
